

Thank You For Your Donation!

Here is one of the many letters sent in by military families who received a Christmas Tree.

We just wanted to express a heartfelt thank you to those who selflessly gave of their time and money to make this tree possible for our family.

It brings a glimpse of joy in the absence of our Hero, father, husband & friend. As well as a tear to our eyes because of the generosity of someone unknown to us who is willing to give for the joy of another.

Thank you again so so much ... from a family who serves together,

Adee & The Boys
