

## **Transportation Directory**

As a service to our members, NCTA maintains a list of trucking providers and freight brokers who provide shipping to the Real Christmas Tree industry. This list is updated throughout the year and can also be found online at the NCTA Member's Center at [www.christmastree.org/transportation.pdf](http://www.christmastree.org/transportation.pdf).

Note: These are companies that have contacted NCTA and expressed interest in hauling Christmas Trees. We are not endorsing them – only sharing their contact information. If you have one to add to the list, please contact us at 636/449-5070 or [rasmussen@realchristmastrees.org](mailto:rasmussen@realchristmastrees.org).
